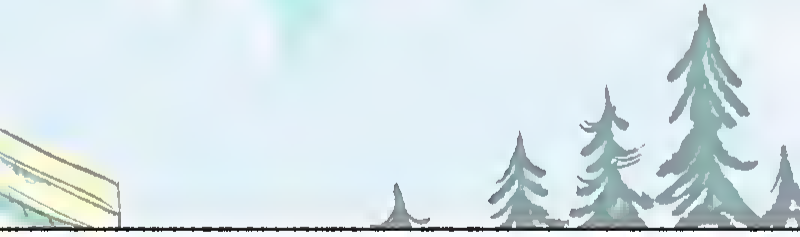
Wow.
Now that I think about it...

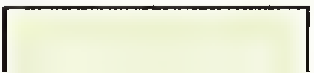
...I hardly know anythins about Oliver.



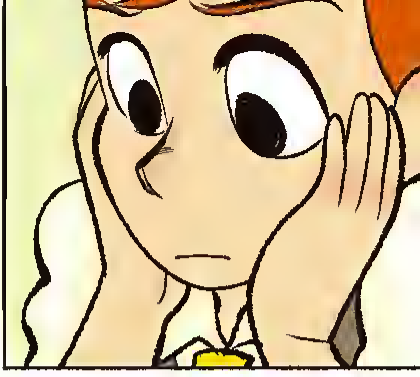
I know
his family died
in a car accident
six years ago.

I know
at some point
Dr. Kim became
his foster dad.

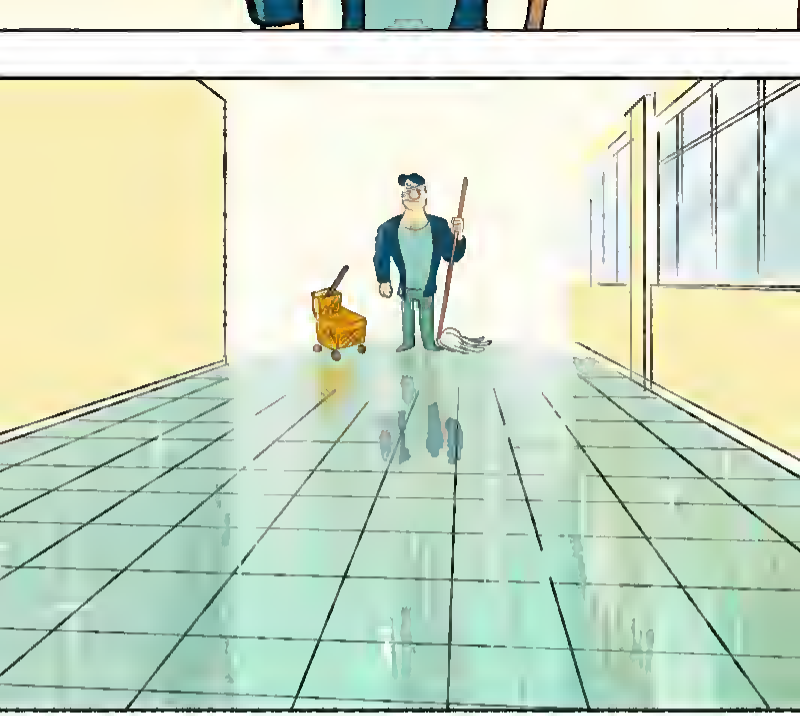
And...



...that's about it.



But where do I start?

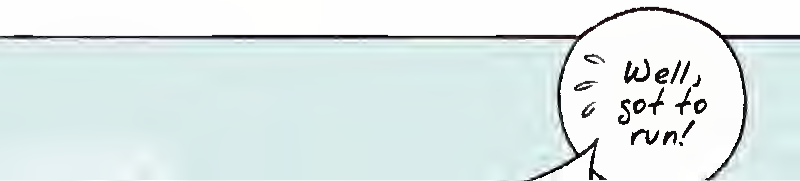


Yep.
Ain't nothing better than a freshly scrubbed floor...

Hey!
Nice moustache,

What?
Way to show your school spirit!
Go South Pines!
Oh--
Well, this is just--
Hey!
Is that mud on your shoes?

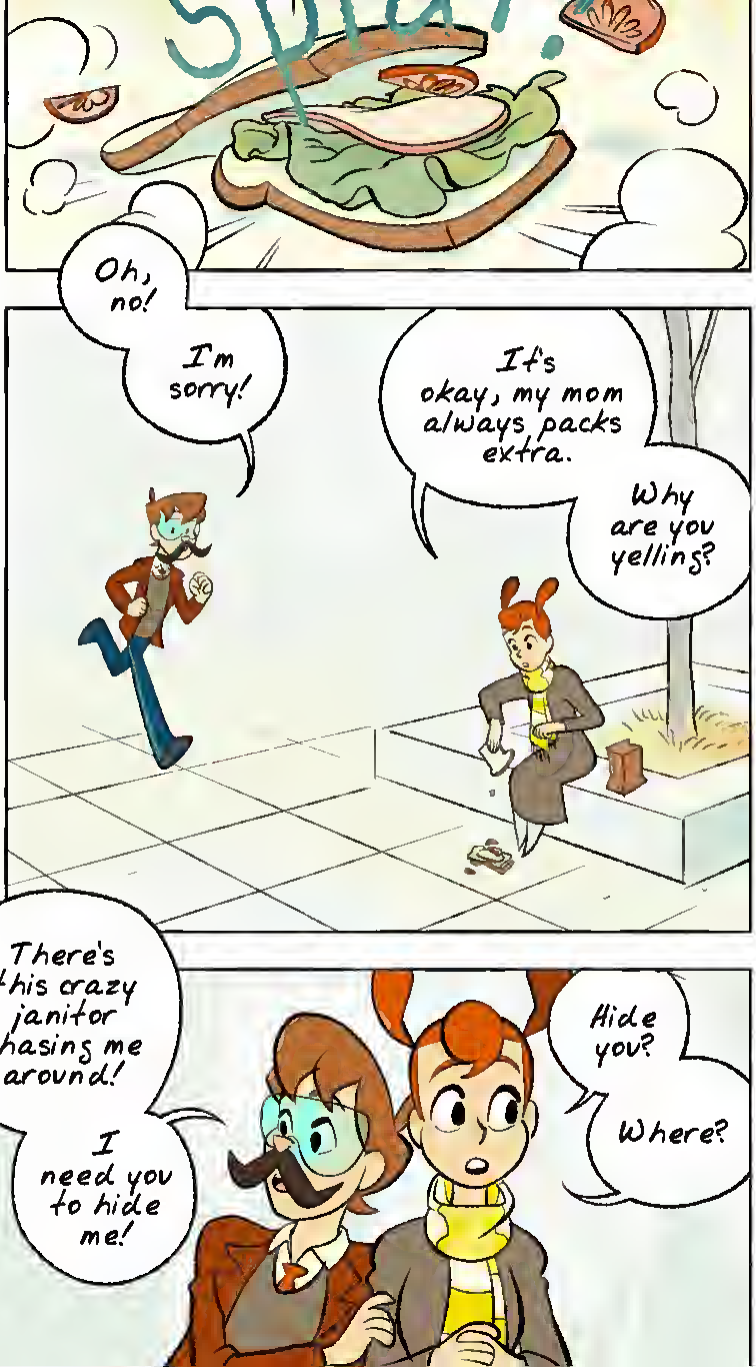
Uh...



Well, got to run!

You get back here!

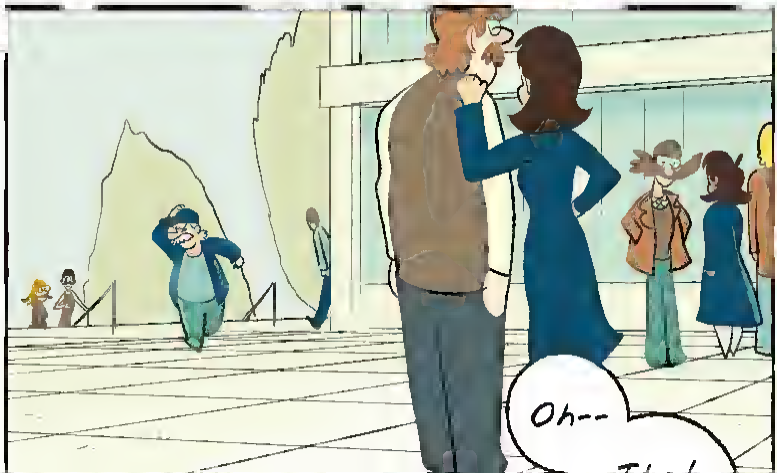
Amy!



Splat!
Oh, no!
I'm sorry!
It's okay, my mom always packs extra.
Why are you yelling?
There's this crazy janitor chasing me around!
I need you to hide me!
Hide you?
Where?

I don't know!
You're the math whizz!
You figure something out!
Since when does math have anything to do with--

AH!
There he is, Amy!



Oh--

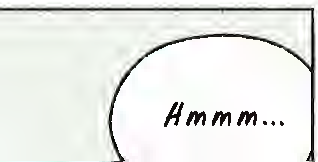
That guy!
He's chased me around before too.
Here, put on my scarf.
We'll make a disguise for you.

Okay, now take off your glasses.

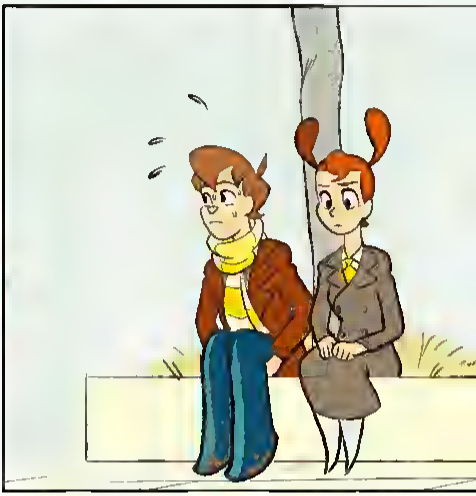
Hmmm...

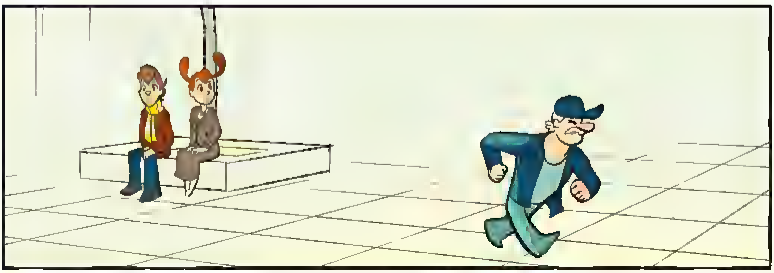
RIP!
OUCH!

Amy!
That moustache was super glued onto my face!
Shh!
He's coming this way!



Hmmm...





Oh my gosh!
I can't believe that worked!
Hee hee!

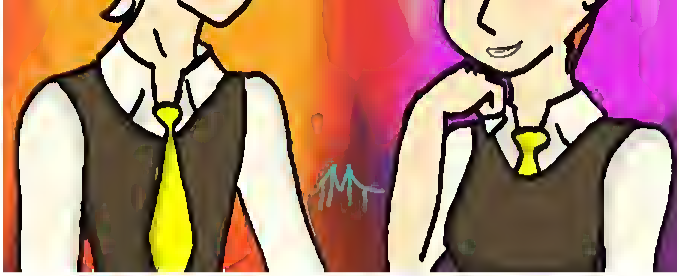
"I think Olivers flavor would be a sour patch kid. Sour then sweet."

Ha ha, yeah-- that's exactly how he is.

You kind of have

Coyowolf

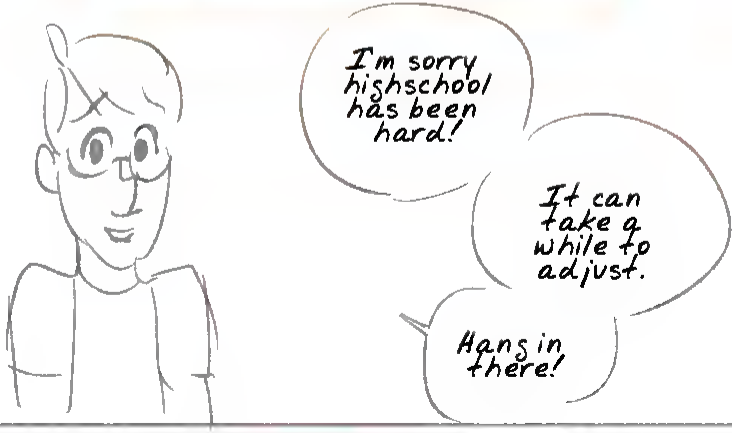
"Everytime Oliver's flavor comes up so do warm summery colors in some form. I think it's something like straight up Grapefruit. He's both sweet and bitter, to some people he is sour and isn't right for everyone all the time. Plain ruby grapefruit."



Tuxedoush

"I just started high school this year, and it's been kinda roush, but seeing space boy each week makes me so excited and happy! The story is really compelling, and the characters are all so alive!"

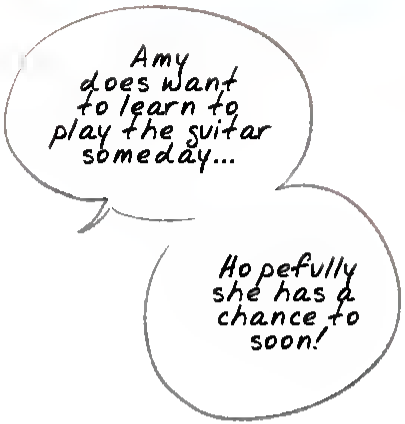
Whew!



I'm sorry highschool has been hard!
It can take a while to adjust.
Hang in there!

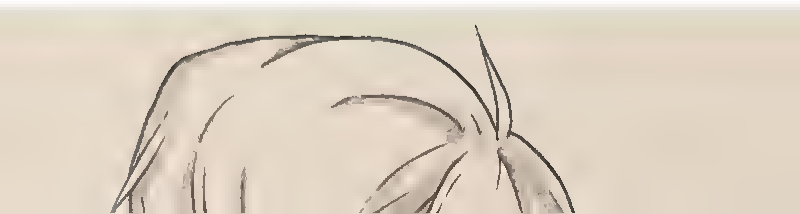
Melissa

"It's not my best, but I wanted to draw Amy with guitar. I love your comics! They are beautiful and your art style is awesome."



Haley Lewis

"Oliver is such a cutie! Love his fluffy hair~"



Wow!
I love how you encorporated stars into the picture.
Great job!
